

THE ANNUAL LIGHTS FOR LIFELINE CAMPAIGN AIMS TO RAISE FUNDS AND AWARENESS FOR LIFELINE WA'S CRISIS SUPPORT SERVICES, DURING LIFELINE'S BUSIEST TIME OF THE YEAR.

This Christmas, Lifeline expect to get a call every 30 seconds from someone lonely or in crisis.

Tragically, in Western Australia, more than one person dies every day to suicide, which is almost double the road toll. Last year, 64,280 Western Australians called 13 11 14 for support and Lifeline WA received an increase in calls during the Christmas season.

People who are suicidal often don't want to die, but cannot see any other way to stop the pain that they are experiencing.

Lifeline WA's goal is to be able to answer every call for help and shine a light for life within the community this festive season.

Lifeline WA is very excited to be launching the biggest ever Lights for Lifeline campaign in 2021. We would love for you to be involved.

"Christmas time is usually a season of joy and celebration, but, sadly, for some it is also a time of stress, anxiety, loneliness and isolation."
