Lifeline WA Ambassador

POWERED BY **synergy**

Lifeline WA provides all Western Australians experiencing a personal crisis or thinking about suicide with access to 24-hour crisis support and suicide prevention services.

This Christmas, Lifeline WA will hold its 7th Annual Lights for Lifeline campaign. A Christmas campaign that aims to raise awareness about suicide prevention and Lifeline WA's 13 11 14 Crisis Support Service, while spreading a little hope and cheer throughout the community.

In a year marked by unprecedented challenges, Lifeline WA answered a record number of calls from the community needing support for a range of life challenges. Many of our callers were experiencing increased anxiety relating to national and global events, some were feeling lonely or isolated, and tragically, some were contemplating taking their own life.

Lifeline WA needs your support to ensure every call is answered. It is devastating for us to know that we don't have the resources to answer every call.

We invite your organisation to support the 2020 Lights for Lifeline campaign by making a company donation. Alternatively, employees can engage in a fundraising activity over the Christmas period. Please email nataliebird@lifelinewa.org.au if you would like to know more information.

Your support this Christmas will help us.
answer the next call to 13 11 14 and could save a person's life.

Please refer to the donation form attached for further details.
